Dear Resident,

Proposed Installation of Bus Zone Signs at Bobbin Head Road after Nambucca Street

Council seeks your input on a proposal to install 'Bus Zone' signs at the bus stop Bobbin Head Road after Nambucca Street as shown on the **attached** plan *Bobbinhead/TDA/141/24*.

Background

Under current road rules, parking is prohibited within 20 metres before and 10 metres after a bus stop to ensure buses can safely and conveniently access designated stops. Concerns have been raised about vehicles parking close to the bus stop, obstructing clear access for buses to pick-up and drop-off passengers. This compromises accessibility and disrupts regular service.

Proposed Changes

To address this issue, Council proposes to install 'Bus Zone' signs to clearly show the restricted area near the bus stop as shown on the **attached** plan *Bobbinhead/TDA/141/24*.

The proposed 'Bus Zone' ends 15.1 metres before the existing bus stop. The driveway west of the proposed 'Bus Zone' is 5.1 metres wide. Since parking is prohibited across driveways, this distance can be used to accommodate draw-in of buses.

The proposed 'Bus Zone' ends 8.5 metres after the existing bus stop. This will leave 12 metres of on-street parking available between the proposed 'Bus Zone' and the next driveway, which can accommodate two parking spaces.
