The Fox Valley Shops
Fox Valley Rd
WAHROONGA  NSW  2076

Dear  Shop Owner,

**Fox Valley Road, Wahroonga - Proposed to replace '1P' spaces to '1/4P' restrictions.**

Council is seeking your input on the proposal to convert four 1-hour parking spaces in front of the Fox Valley Shops to 15-minute parking.

**Background**

Council has received complaints about parking difficulties near the Fox Valley Shops.  It has been commented that visitors to the nearby SAN Hospital and Parkway SAN Clinic are occupying 15-minute and 1-hour parking spaces for extended periods, affecting availability for shop visitors.

There are currently two to three existing '1/4P' parking spaces in the car park.  It is noted that some of the shops would benefits from an increase in the number of '1/4P' parking spaces.  Site inspections showed that vehicles are often parked longer than permitted, indicating high parking demand in this area.

**Proposed changes**

To increase the availability of parking at the shopping centre, Council proposes to replace some of the '1P' spaces with '1/4P' and implementing a 2-hour limit on the disabled parking space in front of the pharmacy to increase turnover.
The **Attached** Plan No. *Fox-Valley/TDA31/25* shows the proposed arrangement.
