Dear Resident

Hunter Avenue, St Ives - Proposed Raised Pedestrian Crossing

Council is seeking your input on a proposal to construct a raised pedestrian (Wombat) crossing and upgrade the street lighting on Hunter Avenue at Yarrabung Road, as shown on the **attached** Plan.

Background

Council has received funding from Transport for NSW under its Get NSW Active Program to construct a Wombat Crossing on Hunter Avenue. This follows concerns raised by staff of St Ives High School about pedestrian safety in the vicinity of the school. Council has also received requests from parents of students for a pedestrian crossing on Hunter Avenue, as students often cross Hunter Avenue for sport activities at Barra Brui Oval.

Proposed changes

A new raised pedestrian crossing is proposed on Hunter Avenue at Yarrabung Road. The works would also include an upgrade of the street lighting to meet current standards for a pedestrian crossing.

Submit your feedback
