WEST PYMBLE NSW 2073

Dear Resident,

Kooloona Crescent, West Pymble - Mark 'Unbroken Yellow Kerb Line' in the bend

Council is seeking your input on the proposal to introduce 'No Stopping' restrictions on the bend in Kooloona Crescent opposite Hampshire Avenue.

Background

Council has received a complaint about vehicles parking on the bend in Kooloona Avenue, creating a blind spot for motorists traveling along the road.

Kooloona Avenue is an 8-meter-wide road that meets Hampshire Avenue at a T-junction. Site inspections showed that visibility for westbound motorists is restricted when vehicles are parked on the inside of the bend. Additionally, motorists were observed swerving around the parked vehicles, forcing them to drive in the middle of the road.

Proposed changes

To address this issue, Council proposes marking 'No Stopping – Unbroken Yellow Kerb Lines' on the northern kerb of Kooloona Avenue, as shown on the **attached** Plan No. *Kooloona/TDA4/25*. This will result in the loss of 2 legal parking spaces and will prevent motorists from parking on the inside of the bend, ensuring adequate visibility for opposing traffic. This is considered necessary for safety reasons.

Submit your feedback

Before submitting this proposal to the Ku-ring-gai Traffic Committee, we want to hear from impacted residents. Your feedback will guide our decision-making process.
