The Resident  
Margaret Street  
ROSEVILLE NSW 2069

Dear Resident

### **Margaret Street, Roseville - Proposed Raised Pedestrian Crossing**

Council is seeking your input on a proposal to construct a raised pedestrian (Wombat) crossing and upgrade the street lighting on Margaret Street at Archbold Road, as shown on the **attached Plan**.

### **Background**

Council has received funding from Transport for NSW under its Get NSW Active Program to construct a Wombat Crossing on Margaret Street. Large numbers of pedestrians have been observed to cross Margaret Street during morning and afternoon peak periods. In August 2023 there was a near miss involving a driver turning from Archbold Road into Margaret Street, and pedestrians crossing Margaret Street.

### **Proposed changes**

A new raised pedestrian crossing is proposed on Margaret Street at Archbold Road. The works would also include an upgrade of the street lighting to meet current standards for a pedestrian crossing. The proposal would result in the loss of 4 on-street parking spaces, however there is plenty of alternate on-street parking available in Margaret Street.

### **Submit your feedback**

Before submitting this proposal to the Ku-ring-gai Traffic Committee, we want to hear from impacted residents. Your feedback will guide our decision-making process.

How to respond:

1. Take our brief survey using the QR code provided.
2. Or, send written comments to the address above.

**Deadline:** Please submit your feedback by Friday 7 February 2025.

If you have any questions, please feel free to contact me directly.

Yours faithfully

Michael Foskett  
**Team Leader Traffic**
