The Resident
Shirley Rd
ROSEVILLE NSW 2069

Dear Resident,

Shirley Road, Roseville - Proposed 'Bus Zone' restrictions

Council is seeking your input on the **amended** Plan No. *Shirley/TDA/131/24* proposing to introduce 'Bus Zone' restrictions to the existing bus stop in front of No. 18 and No. 20 Shirley Road, Roseville.

Background

Council recently wrote to you regarding a proposal to introduce 'Bus Zone' restrictions on the eastern side of Shirley Road. Council acknowledges the concerns received about the impact the proposed 'Bus Zone' restrictions will have on the existing on-street parking in the vicinity.

Proposed changes

Council previously proposed to allocate two on-street parking spaces between the driveway to No. 18 Shirley Road and the 'Bus Zone'. However, due to the high demand for on-street parking in this area, Council is now proposing to reduce the initial proposed length of the 'Bus Zone' by 6 metres. This means the existing on-street parking spaces would be reduced by one vehicle space.

It should be noted that this proposed arrangement does not impact any legal on-street parking spaces, according to Australia Road Rule: 195 *Stopping at or near a bus stop*:

- (1) A driver (except the driver of a public bus) must not stop at a bus stop, or on the road, within 20 metres before a sign on the road that indicates the bus stop, and 10 metres after the sign, unless the driver stops at a place on a length of road, or in an area, to which a parking control sign applies and the driver is permitted to stop at that place under these Rules."*
