The Resident  
Sydney Road  
EAST LINDFIELD NSW 2070

Dear Resident

### **Sydney Road, East Lindfield - Proposed line marking**

Council is seeking your input on a proposal to mark double centre lines on Sydney Road on both approaches to Woodlands Road, as shown on the **attached** Plan Sydney/TDA/9/25.

### **Background**

Council has received a report of a vehicle colliding with a wall on the corner of Sydney Road and Woodlands Road. Sydney Road bends as it passes through Woodlands Road, which is potentially hazardous for drivers unfamiliar with the area. It was also observed that some vehicles cross to the wrong side of the road when driving along this section of Sydney Road.

### **Proposed changes**

It is proposed that double centre lines be marked on both Sydney Road approaches to Woodlands Road. This will provide guidance to motorists when negotiating the bend at the intersection.

Parking would not be permitted immediately adjacent to the double centre lines. However, there is plenty of available on-street parking on Sydney Street.

### **Submit your feedback**

Before submitting this proposal to the Ku-ring-gai Traffic Committee, we want to hear from impacted residents. Your feedback will guide our decision-making process.
