Dear Resident

Warrimoo Oval – Proposed speed cushions

Council is seeking your input on a proposal to install speed cushions on the access road to the rear car park at Warrimoo Oval, as shown on the **attached** Plan *Warrimoo Oval*.

Background

Council has received 2 separate complaints about speeding traffic on the narrow access road to the rear car park which accesses the tennis courts. The lane is very narrow, and is often used by pedestrians.

Proposed changes

It is proposed that 2 speed cushions be installed on the access road, approximately 65 metres apart. The speed cushions will slow traffic using the access road.
